

## Franklin Essex Hamilton BOCES

### Work -Based Learning Experience (WBLE) Development (557X and PE 1009X)

#### Curriculum- 557X

Tracy LaVoie will meet with participants and research a variety of work options and assist them in identifying potential career paths. They will meet at One Work Source in Malone and research possible career paths of interest and educational requirements. They will also research county and state open positions and the application process, including Corrections, Boarder Patrol, and Customs. Tracy will provide information on upcoming job fairs in person and virtual. Tracy will set up Workplace tours and field trips, job shadowing if company allows. Services will be delivered year- round including weekdays, weekends, holidays, and school breaks including summer. All site-based will meet the definition of competitive integrated.

The following activities and topics will be provided.
