LETTER OF INTEREST

Dear ACCES-NYSED Team,

I hope this email finds you well. I am in the process of completing the necessary steps to become a vendor for ACCES-VR and understand that supported employment documentation with either OPWDD or OMH is required before the start of services for support employment.

At this time, I acknowledge this requirement and confirm my commitment to providing the necessary documentation prior to the commencement of services. I am actively working to obtain the required Supported Employment extended services funding agreement or equivalent documentation with OPWDD and/or OMH.

Please let me know if there are any additional steps or guidance available to ensure full compliance. I appreciate your time and look forward to finalizing this process.

Best regards,

Shavone Sease, M.S.Ed.
