## Statement of Intent

A passionate advocate for the rights of individuals with disabilities, I seek to provide evidence-based, person-centered, and trauma-informed care, developing meaning, purpose, and self-sufficiency across the lifespan. I work to cultivate a lifelong commitment to antiracist action, cultural humility, and continued professional development.

## Work Experience

### Employment Coordinator/Peer Training - Hope House

February 2023 - Present

#### Human Development Services of Westchester, Mamaroneck, NY

- Responsible for the oversight of vocational activities for the HDSW Supportive Housing Program.
- Supervises staff providing ACCES-VR Services to ensure timely reporting and quality of service.
- Works with consumers to establish person-centered vocational goals.
- Provides Direct Placement and Supportive Employment Services, as well as Assessment Services.
- Engages in job development, working with the Clubhouse Director to meet job placement and employee retention goals.
- Oversees daily operation of the Clubhouse Employment Unit.
- Provides communication supports and skills training, as well as leading soft-skills/work readiness groups.
- Provisionally credentialed Work Incentives Planner trained by Cornell Yang-Tan Institute providing benefits advisement and long-term life planning.

### CPST Generalist - HCBS/CORE Services

December 2021 - February 2023

#### Mental Health Association of Westchester, Tarrytown, NY

- Provided a broad range of services to a diverse population including Community Psychiatric Support and Treatment, Psychosocial Rehabilitation, Intensive Supported Employment, Education Support, and Peer Empowerment.
- Delivered individualized, goal-directed support in a variety of settings including participants' homes and places of work, as well as local community centers, clinics, and recreational facilities.
- Took on increasingly supervisory duties, providing employee training, leading clinical group discussions, and developing protocols for improving reporting to stakeholders.
- Collaborated with other departments such as care management, housing support, therapy/medication management, as well as external providers such as ACCES-VR, Dept. of Social Services, and Social Security Administration.
- Conducted evidence-based assessments including TABE, PHQ-9, GAD-7, CSSRS, etc.
- Additional training in Peer Specialist and Peer Empowerment Services, Motivational Interviewing, Trauma-Informed Care, Person-Centered Service Planning, Cultural Humility, and Benefits Counseling, Assessment and Evaluation.

### Interview Coordinator – Employment Needs Survey Project

November 2020 – April 2021

#### National Working Positive Coalition/Hunter College/Penn State University

- Managed scheduling, payments, and data collection for an NIH-funded, IRB-approved research project.
- Completed initial data organization/analysis with principal investigators to ensure accurate reporting.

### Administrative Aide II - Office of Faculty Affairs

November 2009 – December 2017

#### Weill Cornell Medical College, New York, NY

- Coordinated tenure and appointment procedures across thirteen basic and clinical science departments.
- Participated in the digitizing of thousands of faculty files, and an overhaul of document submission protocols.

## Education

### M.S.Ed. in Clinical Rehabilitation Counseling

September 2021

*Hunter College School of Education, New York, NY*

*Practicum: Rusk Rehabilitation Institute, NYU Langone Health – New York, NY*
